

LOCAL AND SUSTAINABLE

Since 1995, Café Today has been involved in the effort to help the environment and local economy. From our beginning we have featured local products such as Christine and Rob's Oatmeal from Stayton, mushrooms grown in Yamhill County and Tillamook Cheese. In the near future, the majority of our take out containers will be completely compostable.

VEGETARIAN REQUESTS

Vegetarian items available (hot or cold):

- Lasagna, green salad, garlic bread
- Cheese enchilada casserole with Spanish rice and beans
- Southwest Sandwich with lettuce, avocado, tomato, pepper jack cheese, red bell pepper, and chipotle ranch
- Baked potato bar with trimmings

Any of our menu salads can be made without meat for individual lunches.
