## LOCAL AND SUSTAINABLE

Since 1995 Cafe Today has been involved in the effort to help the environment and the local economy. From our beginning, we have featured local products such as Christine and Rob's Oatmeal from Stayton, mushrooms grown in Yamhill County and Tillamook Cheddar. The majority of our take out containers are completely compostable.

## VEGETARIAN REQUESTS

Add vegetarian items, hot or cold, such as lasagna, green salad and garlic bread. Or try cheese enchilada casserole with Spanish rice and beans. Or our popular Southwest Sandwich with lettuce, avocado, tomato, pepper jack cheese, red bell pepper, and chipotle ranch. Or a baked potato bar with goodies to stuff with meat or without! Of course any of our menu salads can be made without meat for individual lunches. Imagine it and it can be done!

## GUIDELINES

All daily catering requests should be made at least 1 day in advance. Our staff will do everything possible to service your last minute catering needs, however, some menu selections may not be available and delivery times may be slightly delayed. Please provide us with 72 hour notice for special parties and events.

## CANCELLATIONS

To avoid charges please notify us at least 1 working day prior to the event.

## ACCESSORIES

All orders will include disposable utensils, paper ware and condiments. Arrangements for delivery of non-disposables need to be made in advance. Additional charges apply for china, linen, glassware, and stainless ware. Inquire when placing your order about specific charges.

## ADDITIONAL SERVICES

Special decorations can be provided for your event. 48 hour notice is generally necessary for most services. Special attendants and staff are also available with 48 hour notice.
